

# HAMPTON HILL PARISH MAGAZINE.

THE VICARAGE,

HAMPTON HILL,

February 1st, 1905.

MY DEAR FRIENDS,

There are always many annual functions to refer to at this time of year, and I have a full list before me.

The Mothers' Supper took place on the 17th ult., when we had a goodly number present. Amongst our helpers were Miss Barnard, Miss Butler (who kindly arranged the programme), Mr. and Mrs. Griffiths, Mr. and Miss Cremer, Misses E. and S. Barton, and Mrs. Wallace. The supper and entertainment seemed to be very much appreciated.

Mrs. FitzWygram entertained the members of her two Bible Classes to supper on the 12th and 19th respectively. About 50 were present in all. Cordial thanks were given to Mrs. FitzWygram for her kindness and hospitality.

The Sunday School prizes were distributed on the 20th ult. The Girls received theirs at the hands of Miss Kidner, the former Superintendent, and the boys theirs at the hands of Mrs. Griffiths. Pictures of Palestine were shewn to the children, and the proceedings terminated with a bun and an orange for each child.

The quarterly service for the Girls' Friendly Society was held on the 26th ult. After the service the Members adjourned to Larkfield for the usual quarterly tea.

A Temperance Meeting was held at the Mission Room on the 24th, when there was a fair attendance of members. Mr. Phillips gave an account of the effect of alcohol on the human system, with

illustrations. The next Meeting is fixed for Tuesday, the 28th inst., when an address will be given by Mrs. Donaldson, who is a most earnest and enthusiastic temperance advocate.

The Government Inspector's Report of the Day Schools will be found below, and it is certainly most pleasing. I hope all the parents will read it.

The lovers of Missionary work will be interested in Miss Barton's announcement printed below.

I am glad to say that there are about fifty candidates attending the Confirmation classes, and amongst them are several adults. Further names can be received, but only for a few more days. The Confirmation is fixed for Thursday, March 16th, at 8 p.m., and will be at St. James's Church.

Mrs. Montgomery (the wife of Bishop Montgomery) has promised to give an address at the Working Party, at the Vicarage, on the 24th inst.

An excellent Entertainment is to be given at the Victoria Hall by a troupe of "Little Jappies," on the 21st inst. The proceeds to be for the cost of the Electric Light in the Church.

The Offertories on Sunday, the 19th, will be for the Teddington Cottage Hospital.

I am, my dear Friends,

Yours very sincerely,

CHARLES R. JOB.

**COPY OF INSPECTOR'S REPORT.**

"Boys.—These boys are in capital order and have learned to work. Written exercises are good in Writing, Spelling and Composition, and are all thoroughly revised by the teachers. Oral answering is fairly general and in good form.

GIRLS.—The Head Teacher inspires her staff with much zeal and earnestness, and these are reflected in the demeanour of the girls. The work generally is satisfactory and Reading is quite good. The order is excellent and the girls are bright and happy.

In the BOYS' AND GIRLS' SCHOOLS the upper classes should have definite times set apart for silent preparation of Geography, History, and such like subjects, so as to teach them how to use books and to help themselves to information.

INFANTS.—Good sound work is being done here under difficulties, as three classes are habitually taught side by side in the main room. The effectiveness of the instruction is much aided by the excellence of the order and the regularity of the attendance."
