## HAMPTON HILL PARISH MAGAZINE.

THE VICARAGE,

HAMPTON HILL,

May 1st, 1927.

MY DEAR PEOPLE,

The Easter Festival was most gratifying and encouraging. The congregations on Easter Day exceeded my expectations, and the Choir rendered their portions of the services very creditably. I am grateful to the congregation for their kindness to me in the Easter Offering. To the decorators and all who sent flowers, etc., I offer my sincere thanks.

The Good Friday Services were well attended. The number in church during some part of the Three Hours' Service was well above the average. Another year I should like many more to be present for the whole time. The rendering of the Cantata, "Olivet to Calvary" constituted the best of these Good Friday Evening Services the choir have given so far. Our young soloists are to be congratulated on their singing, and Mr. Russe deserves our best thanks for all the pains he took to provide such a good service for us. The collection was a little disappointing. Two guineas and nine-pence does not compare favourably with the sum such a number of people would have been willing to pay to go to the cinema, or any other such place of amusement.

Pondering over the way in which the Lent and Easter Services have been attended, I cannot but hope that the attendance at the services on Sunday will be maintained, if not improved, during the summer months. I know that on fine Sunday evenings there is always a temptation to go for a walk or to take a run into the country by motor car or omnibus. And yet I would suggest that, with summer time, most people have ample opportunity for recreation in the week, without robbing God of His one hour on Sunday morning

or evening, which is far too small a portion of our time to give to worship. I cannot believe that God is satisfied with anything but the most and best we can give to Him of worship on the One Day, His particular Day in the week.

The Ascensiontide Festival comes towards the end of this month. I would once more remind you that it is one of the Great Church Festivals. I hope that many more will make their communions on Ascension Day, and that the evening service will be better attended than it has been in previous years. We need to make more of Empire Day than we do from a church point of view. In addition to the early celebration of the Holy Communion, you will have an opportunity of joining in Intercessions on behalf of the Empire and of making an act of Thanksgiving for our many National blessings by coming to the service in Church, at 8 o'clock on May 24th.

Our Missionary Lending Library is proving quite a success. It is not only for the use of members of the Missionary Association; others may borrow books, and I am sure they would find much interesting reading amongst the volumes we already possess.

The School Managers at their last meeting were obliged to ask the Middlesex Education Committee to provide accommodation for all the children in Hampton Hill. This was the only course left to them since the parishioners failed to promise sufficient financial support to enable them to carry out the necessary alterations and repairs. I very much regret that we were forced to take this step, but I can assure you that I shall take full advantage of the opportunities that will be mine of keeping in touch with the Schools and the children. It is probable that we shall have the children directly under our care for at least another twelve months.

We hope to have our Service of enrolment in connection with the revived Communicants Guild this month. I am anxious that all our young communicants should join the Guild and so I ask parents to see that their young people come to the service on May 18th, at 8 o'clock in the evening.

As you all know, Mr. Storey has been obliged to retire from the Urban District Council, owing to advancing years. Mr. Storey is one of the oldest inhabitants of this village and has taken a very keen interest in its public affairs for many years. As far back as 1886 he was a Churchwarden of St. James' Church. He has been in intimate touch with the Schools almost from their beginning, and has represented the District Council as one of the Managers since 1903. As he has retired from the Council, he now ceases to be a School Manager. It is no doubt, a matter of regret to him that at his last attendance at a School Manager's Meeting, the decision to hand over the children to the Education Authorities should have been the chief business. We all hope that Mr. Storey will be spared to enjoy many years of retirement and we can assure him of our sincere appreciation and gratitude for his many years of devoted service to the Parish of Hampton Hill.

The arrangements for the Fête on June 15th are making steady progress. It has been suggested that we increase the number of stalls on the Vicarage Lawn. A Needlework Stall, a Basket Stall and an Oddments Stall are amongst the number of new stalls proposed.

The Jumble Sale proved quite successful. The amount taken was about twenty-one pounds. Our best thanks is due to the Committee and helpers. A financial statement will be made next month.

I remain,

Your faithful friend and Vicar,

FREDK. P. P. HARVEY.
