Vicar's Letter.

My DEAR PEOPLE,

It is fortunate that this issue of the magazine was not printed till after the Easter Festival. I hope you all felt as I did the real joy which was the note of our Services on Easter Day. When one thought of all that was going on in the world in the struggle against the great force of evil and for the liberation of mankind everywhere from the domination of cruelty and brute force, the reminder that the Creator and Ruler of the Universe shared our struggle on the Cross on Good Friday and by His Rising again on Easter Day proclaimed the Victory He won over Satan and all his satellites, a Victory which. may be shared by all who faithfully follow Him, there was an added note of joy in our Easter Services. The joy of certainty, not only that Jesus lives and is our ever present Companion in all our sorrows and happinesses, but that He, our victorious Captain, will lead us on in our present conflict until Victory is gained, seemed to take possession of us and give fervour to all our acts of Prayer, Praise and Thanksgiving on Easter Day. A strong sense of the presence with us of an Overruling Providence came into our Services. We felt truly that underneath us are the Everlasting Arms. We came seeking God in the

Person of the Risen Saviour and I sincerely hope we found Him-Him who is the same yesterday, to-day and for ever and by whose guidance alone the good we hope and pray for will come out of this combat with evil. For me our Easter Festival was a particularly happy one. The congregations were beyond expectation and so were the number of communicants. We are much indebted to Mr. Bougourd and the choir for their very helpful rendering of the choral portions of the services. I am sure that those who were present at the Choral Eucharist appreciated the presence of a full choir for the first time since the war began. Not a few have expressed the hope that we may have such a service on the fourth Sunday of each month. The Church was beautifully decorated and I am grateful to all who contributed money or flowers and also to the decorators. Thank you all very much for your kindness to me on Easter Day.

This month our thoughts and prayers are concentrated on the Evangelistic Campaign which is to take place in the Borough of Twickenham during the week beginning on May 23rd and ending on May 30th. Under Parish Notes you will find details of the programme prepared for this Parish. I feel sure that we shall be particularly happy to have obtained the Rev. C. S.

Crowson for our Leader. In the subjects he has chosen for the talks on the various evenings in the week he will have ample opportunity of discussing problems of moment to all people as we turn our attention to post-war reconstruction. The fact that Halls and not Churches have been chosen for our deliberations shows the importance he attaches to the full discussion of the subjects by those present. We very much hope that there will be many enquirers after Truth at the meetings including those who for one reason or another have fallen away from the public Worship of the Congregation on the Lord's Day. The meetings will give a chance for us to air our views and express our difficulties in regard to Faith and Order and I am sure that, with the guidance of the Holy Spirit, the way to give a practical expression to the necessity of the moment as stressed by the Archbishop of Canterbury when he bade the Nation "Turn to God" will be made plainer. I, myself, rejoice that in this Campaign the Congregational Church is joining with us and that the meetings are to be held partly in their Hall and partly in our own. This, I hope, will be the means of bringing all Christians in Hampton Hill much closer together. It is very necessary that the Christian Church should speak with one voice concerning those things which in our everyday life she has the responsibility of exerting a Christian influence upon. For the future, no doubt, we shall be united more closely in watching and having a share in the problems of reform which will make for the happier conditions under which our fellow creatures shall live. Most important of all, it may be that we in our small corner may be doing something to stop the sneers of the man-in-the-street levelled against the Christian Community by reason of its unhappy divisions and make our small contribution to the answer of the prayer of our Divine Head that

"They all may be one; as thou Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me." l

The Campaign will end with a United Service of Thanksgiving in St. James's Church, on Sunday, 30th May. This will be a fitting close to our great spiritual effort. In the meantime, we are holding intercession services in preparation alternately in St. James's Church and in the Congregational Church, on Fridays, 30th April, 7th May, 14th May and 21st May. Those who cannot be present at these services will help us by making intercession for the Campaign in their private devotions.

May I remind you that Rogationtide comes at the very end of the month. It is a season when we pray for God's blessing on the crops of the earth, not forgetting its spiritual significance—the sowing of the spiritual seed which is the Word of God by our Missionary effort. During the Monday, Tuesday and Wednesday, 31st May and June 1st and 2nd I shall visit as many of the Allotments as possible and will offer prayers for the holders and the crops sown.

I remain your faithful friend and Vicar,

FREDK. P. P. HARVEY.
