

# WELCOME

Dear Neighbour

Spring is customarily a hopeful time. Lent marks the lengthening of the days; that's a sure sign that Spring is coming. There are waves of flowers and blossoms - all bringing colour and new life.

However, hope is coloured by fear that some events may have to be cancelled if coronavirus (Covid-19) spreads. Check our website for any changes.

For now we are planning a full programme of events including the joyous Mothering Sunday service and the very special times in Holy Week and Easter. We also have dates for the Pop-Up Cinema and another Alistair Griffin concert. Please follow updates on the church website: [www.stjames-hamptonhill.org.uk](http://www.stjames-hamptonhill.org.uk)

Lent and Holy Week in church are times of reflection and consideration of the hardships in life. But they come to a triumphant conclusion on Easter Sunday when we celebrate that Jesus snatches victory from the jaws of defeat. Now that he is alive, we need never fear the dark times in our life. We can hope and know that he is with us, the resurrected and ascended Lord.

Grace and peace
